

Hedge-to-Arrive (HTA) Contract Fees & Policies

HTA contracts shall be written in full contract size only

- 5,000 bushels – Corn, Milo, Soybeans & Wheat
- 1,000 bushels (MINI) – Soybeans only

Contract quantities may be split between joint individuals (tenant/landlord) but totals must be in 5,000 bushel increments and all parties must set the basis at the same time.

HTA contracts, or portions of, must be priced (basis established) in contract size increments.

Exact Board of Trade fills are given to the customer.

The Customer will be allowed to roll his/her HTA contract forward one time within the same marketing year for a fee of 2 cents.

HTA contracts will NOT be written for in-store grain and early delivered grain will be subject to storage costs until priced.

There are additional fees associated with HTA contracts. These fees will be removed from final contract price when priced. Contact qualified **Country Partners Cooperative (CPC)** grain merchandising personnel for current HTA fee schedules.

CPC reserves to right to change HTA policies or fees without notice.
